This is the inaugural year of this program and the goal with this photo competition is to give the CAFE membership the opportunity to share their experiences and memories at any fair by showcasing staples of Canadian fairs while dabbling in some fun photography. The competition is open to all CAFE Members from anywhere in Canada. Judging will be held following the submission deadline on October 31, 2018. Judges will select the 12 finalists (1st place winners & 11 runner-ups) to be displayed in the 2019 CAFE Fair calendar. All photos will also be posted online, used in our photo bank and digitally display at the Awards Evening at the convention. This will increase exposure for the photographers as well as provide fairs an opportunity to see what other fairs are doing and use their photos from the photo bank.
